Dear Larry Dennis,

Thanks so much for *15 Leadership Principles and Ronald Reagan* and congratulations on it's print. I will never forget the feeling I had when any of my books were printed - what an incredible sense of accomplishment!

I am honored you wanted to share a copy with me and I look forward to enjoying it. George joins me in sending our best wishes for it's success as President Reagan was dear to us both.

With all best wishes and many thanks,

Warmly,

Barbara Bush

Ronald Reagan was a great leader and a dear friend!
