Issue 77

To our clients and friends

February 1, 2006

Born You

Larry W. Dennis, Sr.
President,
Turbo Leadership
Systems®

*Gratitude for
being you is self
empowerment*

You have to be born different

To escape your story

You have to be born different

To be the other

You have to be born different

To live a better life

You have to be born different

To be someone else

You have to be born different

To escape the joy you have known

You have to be born different

To miss what you have loved

You have to be born different

To avoid your ebb and tide,

You have to be born different

To miss the adventures you have known,

You have to be born different

To miss your pleasure, excitement and fulfillment

You have to be born different

Aren't you glad you were born you!
